

NOTICE TO ALL MEMBERS AND ORGANIZATIONS OF METROPOLITAN UNITED CHURCH

construction zone

RE-BUILDING OF EAST ENTRANCE AND RAMP

Construction will begin on Wednesday, July 4th with an estimated time for construction of 6 weeks. The doors on the west (Wellington St.) side of the building will be the main entrance during the construction period. We will be relocating the ramp from the parking lot area to the south side of the church. This entranceway will have a fairly steep ramp and so anyone using a wheelchair will require assistance. This entranceway will be available Sundays and other days when necessary.

LADIES' LOWER LEVEL WASHROOM

Construction will begin July 4th with this facility closed for approximately 4-5 weeks. We apologize for any inconvenience this may cause; however, our wonderful church will be better served with its completion.

We wish to take this opportunity to thank Time Out, the Men's Breakfast Club, the U.C.W., and other private donors for their financial support which has made this much needed improvement possible.

Property Committee

Finally, regarding the ramp construction, please be advised that we have in the T.I.F.T.F. account in excess of \$70,000 in hand. This amount was due in part to savings dollars, acting as our own contractors when we rebuilt the four main entrances. We mention this only to ask if anyone would like to donate funds to these two projects, we would be most grateful.
