Spring Absent Tea Letter!

Spring 2022

Dear Women of Metropolitan United Church,

This is the year that our UCW celebrates the 60th anniversary of the formation of the United Church Women. The W.A. and the W.M.S. joined under the name, United Church Women, in 1962. All Women who attend Metropolitan are welcome to be involved in any of the units – Unit 3, Unit 7, Unit 2000 or the "Knit Wits". Beyond our own church, there are also Middlesex UCW and Antler River Watershed Region events as advertised in the bulletin and on the UCW bulletin board located by the south-west entrance.

We send our Absent Tea letter to all the women of Metropolitan as this is one of our major fundraisers for the support of local and worldwide organizations that help women and families. In years past, women would get together for a Spring Tea, but with our busy lives, this became an Absent Tea. In the UCW Annual Report, the organizations which we supported last year are listed.

Please enjoy a cup of tea - there is nothing quite like it! What else can help ease you into the day and calm you at night? Lift your spirits and keep you grounded? For mind, body and soul, there is nothing quite like it. We wish to keep the tradition of the "Absent Tea" Letter alive. We invite you to make a cup of tea, find a comfortable chair and reflect on the things that are important to you. We hope you will also reflect on the needs of others and send a donation to the UCW.

Your donations may be made by cheque and sent to Metropolitan United Church, 468 Wellington Street, London, ON. N6A-3P8 or left at the church office. As well, we continue to receive e-transfers at ucw@metropolitanchurch.com. Please mention the "Absent Tea" in the message box.

We thank you for your generosity and your continued support of the Metropolitan UCW.

Sincerely,
Metropolitan UCW Executive Committee,
Henrietta French, Anne Jeffery, Marilyn Matthews, Heather Mahler, Lynda Reesor, Maureen Tipping, and Carol Walden
