

Christmas Hampers

For many years, Metropolitan has delivered food to over 120 London families through our Christmas Hamper program. We are going ahead with Christmas Hampers again this year although we will be providing our “Hamper” in the form of grocery store cards to allow families to select food to best meet their own needs. About 2/3 of our families are from the Limberlost Community and the rest are spread around the city.

Here’s what we need:

1. We need your generous contributions. We hope to be able to provide each family with about \$120 worth of grocery store gift cards. Since we aren’t able to see you at coffee hour to receive your donations, we hope you will consider leaving your contribution on the offering plate or delivering it the church. An efficient alternative for those comfortable doing so is to E-Transfer your contribution to admin@metropolitanchurch.com. Please include a note in the memo section of the E-Transfer stating the donation is for Christmas Hampers so that the money goes to the right place and include your envelope or PAR number, or your address so that your givings are properly receipted.
2. We need about 15 – 20 drivers willing to deliver a few envelopes to our families across the city on Saturday December 18. Gather at the church at 10:30 to get your envelopes to deliver. Please contact Dave Spencer at the email below if you’re able to drive.

As you know, the pandemic and increasing inflation have disproportionately hurt many who are already struggling and the need now is as great as it’s ever been. We have faith that our congregation will continue to generously support this annual outreach program.
